

## United for Waukesha Community Fund

held at Waukesha County Community Foundation

### Grant Application for Nonprofit Organizations

On the night of November 21, 2021, a driver struck parade participants resulting in deaths and injuries. The United for Waukesha Community Fund was created at the Waukesha County Community Foundation along with United Way of Greater Milwaukee and Waukesha County to provide a charitable vehicle to assist victims of the tragic event.

We recognize many agencies are serving victims of the Waukesha Christmas Parade attack, and as a result, these agencies constitute a tier of beneficiaries from the United for Waukesha Community Fund. Grant considerations will be based on the unexpected increase in client services that these agencies provide.
